Dear Sirs:- I am against having lots 14 & 15 in English add, located on south west corner of East Foster Pkwy at South Clinton Street to be rezoned from R-2 to District two family residential to a "B1B" district Limited Business.

We have too much traffic as it is. There are too many vacant good buildings in Ft. Wayne to day. Why not use the empty bldgs we allready have?

Sincerely Yours,
Mr & Mrs. Wm E. Stauffer.

At the last moment my Husband and I learned from a neighbor that the lot next to our house was possibly giong business. We had not received a letter to this effect. Here is My letter of Objection to the redistricting of lots 14&15 of the Engles addition. My Husband and I hope you do not change what is now R2 to B1B limited business.

My Husband and I own lot #17 of the Engles addition which borders lots 14 and 15 along the one side; We would not appreciate a business at our bedroom window.

From the practical side the area you wish to make business is very small and it would be very difficult to opperate any business in that small an area.

If that corner did become a business, with No Parking on Clinton street, where would people park? They would naturaly go around the corner which would be right in front of our home; My husband and I both working and driving would not like to come home at noon or in the evening and find it impossible to park in front of our own home.

Also there are many children in the neighborhood, the last thing they need is more trafic.

Please do not make that a business corner!

I am opposed to having lots # 14 & # 15 in Englis Addition changed to "B1B" District - Limited Business located on the southwest Corner of East Foster Parkway and South Clinton Street.

I feel there is too much traffic on East Foster Parkway now without having more traffic on the street. The street was not designed to carry a heavy load of traffic. With Sears, Roebuck & Company and Lincoln Bank traffic,

we have enough cars. There is not adiquate parking on East Foster Parkway to take care of visitor parking.
